

## WE PURCHASE RETIRED MEDICAL EQUIPMENT

### Turning it Green

**MEDICAL EQUIPMENT SOLUTIONS** will provide you a strong purchase bid, converting your retired equipment into cash! We are **HIPAA Compliant** and offer professional de-installation on a wide variety of equipment. Our direct payment, at time of pickup, will provide immediate financial gain to your facility, in both certified funds and opening up the valuable space your facility needs.

### Keeping it Green

**MEDICAL EQUIPMENT SOLUTIONS** has been and will continue to be committed to preserving our planet; **recycling, re-using** and **reducing** medical waste in every way possible. Assisting in that endeavor, we regularly donate volumes of equipment to **Project C.U.R.E.**, one of the largest nonprofit organizations in the world that delivers medical supplies and equipment to developing countries. Your retired equipment can **save lives** in more ways than one!

Since 2008, **MEDICAL EQUIPMENT SOLUTIONS** has served over 180 facilities, including some of the largest hospital systems in the country. Our **complimentary** inventory service on retired **medical, surgical, imaging** and **laboratory** equipment is among several of the reasons we are the preferred leader in the industry. Providing complete confidence in our expertise, immediate payment and pickup service, leaving your facility neat and clean will be among the many reasons **your facility will rank us number one, too.**

Call us today, for a free, no obligation inventory and purchase offer on your retired equipment.
